Suddha

I can be there Monday afternoon for the IDW disposal pickup. I had tentatively planned to meet with Brian Burris during that time - so it shouldn't be a problem for me.

Debbie/Dennis,  
The pickup of the drum of IDW is scheduled for mid to late afternoon on Monday, 10/22. The driver will be stopping in Pittsburgh prior to our pickup and will be calling as he leaves Pittsburgh. We should have a 1 hour advance notice before he arrives. I am scheduled to be mobilizing to Monroe County, PA on 10/22, so I most likely will not be here. Brian Burris will be overseeing the pickup from TechLaw's perspective and he will also be contacting you guys when he hears from the driver.

Do you know which one of you will be coming over to sign the document (Straight Bill of Lading)?

Thanks,

Suddha,

Please contact either Debbie or Dennis when you know the time the truck will be there. OK? Both of them will be available that day.

Thanks to all of you... :)

Hi Rich -

I checked with Dennis and we are both available. One of us can run over to the START office and be there to sign the manifest, etc....

Have Suddha contact us to let us what time the truck will be there -

Are either of you available to sign for this drum of waste from Dimock? We demobed the site and START took the drum with them to Wheeling. As you know, part of signing the manifest (at least the way I was mentored) is to make sure the truck is property placarded and the driver seems responsible, etc. Its only one drum, so I will sign it in advance...something I don't like to do.... however, thought maybe one of you would be available to run over there and do this.

Let me know.

thanks.

Rich

Subject: Dimock - IDW Drum Disposal Scheduled

Hi Rich,
We have the drum of IDW from Dimock scheduled for disposal on 10/22/12 (next Monday). I need to coordinate with the disposal company to have the manifest shipped to you or someone in EPA to sign it. Would you want to sign it, or do you want someone local (Wheeling OSCs) to sign it? The difficulty will arise in the timing, as there is not much time for FedEx ing the manifest back and forth. But, if you can let me know, I can arrange it accordingly.

Thanks,

Suddha Graves
